PUPPY IS \_\_\_\_\_

FOR THE SUM OF \_\_\_\_\_

The undersigned seller guarantees this puppy to be in good health at the time of the sale. The puppy has been checked by the seller's veterinarian and medical records are included. The undersigned buyer has a period of seven (7) days from the date of sale listed above to take the puppy to a licensed veterinarian of his/her choice for a health check. Should the licensed veterinarian determine that the puppy is in ill health of a nature that would prevent it from leading a normal life, the puppy may, upon presentation of a written diagnosis from said licensed veterinarian, be returned for a refund of purchase price or for another puppy of equal value, the choice of which will be determined by the buyer.

After the seven-day period, this puppy is guaranteed for a period of two (2) years against a debilitating degree of hip dysplasia, which would prevent it from leading a normal life, with a replacement puppy to be provided to the buyer at the seller's earliest convenience.

In the event the buyer feels he or she must dispose of the dog for any reason (other than for debilitating disease or old age), buyer will notify seller and return dog to seller with no monies exchanged.

The buyer understands that this dog is not to be used for breeding for any reason, unless given written permission from the breeder. Unauthorized breeding of this dog for purebred and/or mixed breed puppies will result in a \$5,000 fine and immediate return of the dog. Any and all legal fees incurred by the breeder in this situation will be paid in full by the buyer.

In the event that the terms of this agreement are not complied with, the seller is entitled to \$5,000 in damages and the return of the dog plus any legal fees and costs associated with the enforcement of this agreement. The enforcement of this contract will take place in the seller's county and state.
